Lee Norwind has a national federal and state court litigation practice based in Maryland and the District of Columbia, where he practices in the areas of wrongful death and catastrophic personal injury and represents persons coping with major life-changing circumstances. Lee has earned the honor of becoming selected as a *Super Lawyer*, is a member of *The National Trial Lawyers Top 100 Trial Lawyers*, and is listed on *LawDragon 3000*, representing less than one percent of attorneys nationally. He is a member of the *Pound Civil Justice Institute*, serves on the National Advisory Board of the *Association of Plaintiff Interstate Trucking Lawyers of America* representing the state of Maryland, is a founding member of the *American Board of Trial Advocates, District of Columbia Chapter*. He is proud to have the top Avvo rating of "10.0/Superb". Lee is a former president of the *Trial Lawyers Association of Metropolitan Washington, D.C.* That organization elected him as a past Trial Lawyer of the Year. Lee has also served on the Board of Governors of the *American Association of Justice* as Governor from the District of Columbia, In addition, he has earned the top "A-V" rating from *Martindale-Hubbell*.

Lee's recent publications and speaking engagements cover a wide range of topics of interest to attorneys representing the interests of the negligently injured or their surviving family members, including brain and spine injury, legal challenges to brain volume measurement techniques, wrongful death from the over-prescription of opioid medication, truck accident litigation, and evidentiary issues facing attorneys. His article on deaths from the over-prescription of pain medicine appeared in the most respected national peer-reviewed journal for trial lawyers, *Trial Magazine*, discussing victims prescribed methadone for pain by health care providers who have taken the medication exactly as prescribed and suffered respiratory arrest and death within days of starting on the medication. His article reviewing depositions of corporate representatives taken under the federal rule of evidence was published in the journal of the preeminent association in the nation for attorneys handling truck collision cases, *The Lawyer's Logbook*. He has been a featured speaker on issues in trucking cases, both as one of *America's Top Gun Trial Lawyers and America's Leading Experts in Trucking Litigation* at the National Interstate Trucking Conference sponsored by the *Association of Plaintiff's Interstate Trucking Lawyers of America*, and at the *Maryland State Bar* convention.

Lee's passion for representing victims of carelessness who sustained brain injuries or paralysis has led him to becoming a subject-matter expert, lecturing on the topics to various groups throughout the U.S. This opportunity has allowed him to work with leading physicians, traumatic brain injury specialists, psychologists, engineers, accident reconstructionists, and other experts throughout the country in his quest to achieve justice and fair compensation for clients.
