Steven M. Gursten is recognized as one of the nation's top attorneys handling serious auto accident injury and wrongful death cases. He is head of Michigan Auto Law, and has received the top-reported jury verdict for a Michigan-based car or truck accident in five of the past 12 years. Steve is the current president of the Motor Vehicle Trial Lawyers Association, executive board member and chair-elect for the American Association for Justice Traumatic Brain Injury Group, and a past chair of the AAJ Truck Accident Litigation Group.

Steve lectures frequently at legal seminars around the country on litigating motor vehicle accident cases, trial advocacy, traumatic brain injury, and maximizing settlements.
